## Leadership Talks to Better Equip and Inspire Leaders Like You:

### LEADING Yourself

We've consulted a world-class group of experts to create educational material around 11 key competencies of personal leadership to help you succeed in every avenue you pursue.

### LEADING Others

Along with our network of leadership experts, we've created high-quality educational material around 11 key competencies to help you develop leadership in others.

### LEADING Organizations

The wisdom and guidance embodied in these 11 key competencies will help you nurture and lead your own community, further advancing your role as a true leader.

The GLN Holds an Annual 2 day Leadership Summit

Which is attended by 400,000 leaders in 120 countries
