

## SOCIAL CARE TV ONLINE TRAINING

"Our 60 online courses are easy to use courses, designed for health and social care providers and provide high quality audio-visual 'e-learning', fairly priced (£1,49 for most courses) to help you and your colleagues learn and put that learning into practice"

**Free certificate with every course**

On completing each course, you will receive a certificate showing your test score to show which courses you have taken and completed.

Please Note:

If you would like to take one of these online courses and cannot afford the cost.

Please contact us
