

Digital

Youth Empowerment

CONTENT

It can be helpful for groups of young people to watch these playlists together and to encourage discussion.

A Group Facilitators Guide is available with suggestions on audio/visual presentation: [Facilitators Guide](#)

Each of the 24 topics comprises 15-20 short videos - 50 mins total maximum each topic

Each topic is shown as a picture with title

Just move your 'mouse' over any topic and click on it

This will take you to the Playlist on Youtube which will start and run through the whole playlist

You can pause or run at anytime and as all the selected videos are shown on the right you can if you wish, choose to watch any of them

Feedback on this resource and suggestions for additional topics will be welcome

Click on any picture to start the Youtube video playlist, which will last about 50 minutes - you can select which videos you watch in each playlist.

We hope you find these topics encouraging and helpful
