

March 2021

World leading digital Network for local leaders in disadvantaged communities, providing a free comprehensive 'Know How' resource hub for sustainable development

- Join 1,600+ member NGOs in 43 countries and help advocate for improving funding access for your work or Ministry
- Shared values for development through innovation and integrity

Member Benefits

- ✓ Full access to the Network's specially designed digital Community Development resource hub including a new Youth Empowerment resource
- ✓ National Community Development Networks being established
- ✓ Covid Community Protection resource model available
- ✓ Quarterly development, news and encouragement Newsletters
- ✓ The Network is not a funding agency but has started an advocacy campaign to improve funding access for Members Community Approved projects
- ✓ Networking with other Members via Members Directory

Free Network Membership – Join online. Membership Certificate
